And finally...

All requests for tickets will be on a first come, first served basis. We are currently accepting bookings up until **1st April 2026**, with the exception of Bowood, which closes for the season on 2nd November. While most of the outdoor attractions have large capacities, please note that We The Curious has a limited number of tickets available each day.

You are welcome to bring along other family members and friends if ticket numbers allow. However, these opportunities are intended primarily for families supported by Jessie May and are not to be passed on more widely. There are no restrictions on how many times you can visit the attractions. If this is something that works for you and your family, please do make the most of it.

If you have any questions, please email community@jessiemay.org.uk. This inbox is monitored Monday to Friday, but unfortunately not at weekends.

We believe the attractions included in this offer will be suitable for families, although Jessie May cannot take responsibility if they do not meet individual needs. Please also be aware that there will not be a Jessie May presence during your visit.

After your day out, we'd love to hear how it went. A member of our team will be in touch to hear about your experience, as this feedback really helps us build a picture of the value of these opportunities and supports the work of our fundraising team.

Finally, please don't forget to share your photos. We'd love to see them! You can email your pictures to marketing@jessiemay.org.uk or tag Jessie May on your socials.
